**PUBLIC NOTICE FOR ACCREDITED HIGHER LEARNING INSTITUTIONS ON
TEACHING ACCREDITED ACADEMIC PROGRAMS**

=====

It was observed that different Higher Learning Institutions accredited in Rwanda have been issuing confusing documents in regard to the Awards the institution is allowed to offer.

The Higher Education Council (HEC) reminds all accredited Higher Learning Institutions (HLIs) to teach the only accredited academic programs and issue the Award (Degree) related to the level of the accredited academic programs.

The Higher Education Council (HEC) informs the students, parents, guardians, and the general public that all accredited academic programs with the related awards offered by the accredited HLIs in Rwanda, are available on the HEC website: www.hec.gov.rw
